## Directory of Early Childhood Mental Health Services

### Disclaimer:

This directory was prepared as part of the Childrens Hospital Los Angeles USC-UCEDD Child Health-Works project, funded by First 5 LA, in collaboration with the Los Angeles County Department of Mental Health. The information herein is based on self-reported information from mental health agencies throughout Los Angeles County.

The intent of this directory is to make information regarding infant and early childhood mental health services available to the public. However, the directory does not include a comprehensive listing of such services within the entire County. Moreover, a listing within the directory is not an endorsement of services. Users are encouraged to directly contact the mental health agencies listed for current information about their respective infant and early childhood mental health services.
